

OPULENCE MATTE

LAQUERED SUPERMATTE (LSM)

From the union of technology and nature, the new Supermatte collection is born. Serenity and calmness. Soft Touch Matte provides a number of high end features on its high-tech surface, and moves them into the interior design.

EDGEBAND

Matching in 23mm & 44mm

CERTIFICATIONS

EPA TSCA VI Compliant

CARB II Compliant

FEATURES

Deep Matte
Anti-Fingerprint
Auto-Regeneration
Impact resistant
Scratch resistant
Abrasion resistant
Haptic Technology
Silky Touch
UV Laquered

OPULENCE GLOSS

LAQUERED HIGH GLOSS (LHG)

Tones inspired by natural chromatic references in its purest colour expression . The glossy surface brings a sense of space and luminosity in all the places where it is installed.
