

EMPORIO SKIN

THERMALLY FUSED LAMINATE (TFL)

A collection of design surfaces inspired by the tradition of elegance and Italian style, interpreting the trends of world furnishings and interiors. The magic of wood gathered in a rich range of panels distinguished by texture & decoration, tailored to every project. The perfect concept for unconventional surfaces, honouring the best Italian textile tradition.

EDGE BAND

Matching in 23mm & 44mm

CERTIFICATIONS

EPA TSCA VI Compliant
CARB II Compliant

FEATURES

Double decor paper for higher durability
Increased scratch resistance
Increased impact resistance
Increased abrasion resistance
