

*High-Pressure Laminate and Melamine Faced Particleboard technology merge with underlying kraft paper to produce high quality, and high durability surfaces. Melamine kraft improves the surface of the panels, increasing wear resistance and enhancing the natural characteristics of the textures.*

### EDGE BAND

Matching in 23mm & 44mm

### FEATURES

Kraft Underlay for high durability  
 Increased scratch resistance  
 Increased impact resistance  
 Increased abrasion resistance

### CERTIFICATIONS

Greengaurd Gold  
 EPA TSCA VI Compliant  
 CARB II Compliant  
 Class A Dry Heat Resistance

Fire Rated Core available (MOQ of a bundle at 24 Sheets, 18mm)

Moisture Resistant Core available (MOQ of a bundle at 24 Sheets, 18mm)
