

Tmatt

El nuevo lacado supermate, Tmatt, es el resultado de la búsqueda de un producto innovador, capaz de sorprender con sus propiedades: anti-huella, auto-regenerativo, cálida textura, etc. Muy cálido al tacto. Elegante y suave.

The new lacquered supermatt, Tmatt, is a clear result of the Transformad's continuous search of the most innovative product, capable of surprising due to its properties: anti-fingerprint, auto-regenerative, warm texture, etc. Warm touch. Elegant and soft.

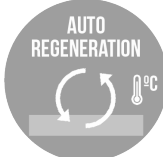

Le nouveau supermatt laqué, Tmatt, est le resultat d'une constante recherche de produits innovants, capable d'étonner grâce à ses propriétés: anti- empreinte, autoregenerative, texture chaleureuse, etc. Élégant et doux.
